Coach Madder Silk Neckties. . . A Gift of Tradition

When you give our madder silk neckties, you've made a distinctive statement. One that says you want the best for yourself and someone special.

Created in the renowned silk center of Como, Italy, our neckties exhibit a resilience and suede-like quality not often achieved. One touch and you'll see the difference.

Also, take special note of the construction. The silk is cut on the bias and hand slip-stitched to assure resilience and to maintain shape, even after knotting. We've also added a necktie keeper and twisted-bar tacking for a smoother look.

All this results in a necktie that knots superbly, recovers from wrinkles and always looks distinguished, in the tradition of Coach. Our leather Tie Case (page 29) is the perfect complementary gift to your necktie collection.
