Berkeley Duffle Sac pg. 3

In 1941, the Coach concept evolved out of a love for leather and a uniquely American pioneering spirit. Inspired by the natural beauty of baseball-glove leather, we created simple handbag designs that served to highlight its texture and grain. And, we set standards of excellence in craftsmanship that are carefully maintained to this day.

Our reverence for natural beauty and respect for the spirit of the American West take us to California's Napa Valley.

COACH

Classic

The Classic Collection embodies the spirit of Coach. In every Classic bag and accessory lies Coach's commitment to understated, timeless designs. This fall, we introduce the Berkeley Series; relaxed styles handcrafted from a unique, rugged suede accented with our supple glove-tanned leather. In earthy Mahogany, Red, Russet and Black, Berkeley bags and accessories appeal to a casual American sensibility.
